*Some Information on Back

The Arizona Modeler Aviator's flying site, **Superstition Airpark**, is at Usery Park near Apache Junction, AZ. Follow Route 60 until Signal Butte exit, go north until Brown Rd. then turn right. At Meridian (1 mile) turn left, then 1/2 mile past the Rodeo grounds at the first left turn at **Levy Drive** to enter the club field.

Note: The AZ 202 Freeway is now completed, you can take the Brown Road Exit and go east to Meridian as an alternative route.

The field at Superstition Airpark is 750 ft x 100 ft of smooth paved runway with 75 ft overruns. We have a large covered pit area and bleacher seating for spectator viewing. To fly you must be a member of the Academy of Model Aeronautics (AMA).

Turbine waivers will be required!
